

MILWAUKEE COUNTY FISCAL NOTE FORM

DATE: June 26, 2012

Original Fiscal Note

Substitute Fiscal Note

SUBJECT: A resolution providing for an advisory referendum on whether the U.S. Constitution should be amended to establish that only human beings, not corporations, are entitled to Constitutional rights, and money is not speech, and therefore regulating political contributions and spending is not equivalent to limiting political speech.

DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

Approval of this resolution will authorize an advisory referendum to be held on the 2012 Fall Election Day, November 6, 2012.

The 2012 Adopted Budget contained an increase of \$325,000 for the increase in ballots, election supplies, and services needed for 2012; however, it did not include additional funds for any countywide referendums. The cost of printing ballots and allocating those costs to municipalities is based on many factors, including the number of local elections versus the number of countywide elections. In short, the Administrator of the Milwaukee County Election Commission estimates that the additional cost of a countywide referendum would be approximately \$25,000. This is higher than previous referendum cost estimates of \$17,000 to \$20,000 due to higher expenses and the added number of ballots that must be printed for the presidential election.

For the purpose of this fiscal note, the estimate of \$25,000 by Election Commission staff will be used as the additional cost to Milwaukee County if the advisory referendum were to be added to the ballot. Since these funds were not appropriated in the 2012 Budget, a transfer of funds from Org. 1945 – Appropriation for Contingencies or another available funding source would need to occur.
