Proprietary Fund departments include Enterprise Fund departments (e.g., General Mitchell International Airport) and Internal Service Fund departments (e.g., DAS-Information Management Services Division). Budgeting for Proprietary Fund departments in accordance with Generally Accepted Accounting Principles (GAAP) requires that Proprietary Funds expense the cost of fixed assets over the life of the asset through depreciation. Prior to 1997, fixed assets were defined as buildings and equipment with a cost in excess of \$500. In 1997, the definitions regarding fixed assets changed. The per unit cost for non-computer equipment must exceed \$2,500 and have a useful life greater than one year. Computer related equipment must exceed \$1,000 per unit to be considered a fixed asset.

Appropriations for depreciation are included in Proprietary Fund departmental budgets while appropriations for Capital Outlay - Fixed Assets, the original cost for the fixed asset, are excluded from those budgets. To ensure proper budgeting in accordance with GAAP, yet also ensure that these departments retain control over the purchase of fixed assets, Proprietary Fund departments reflect an appropriation for Capital Outlay - Fixed Assets and an offsetting credit appropriation.

However, the cost of Capital Outlay - Fixed Assets for Proprietary Fund Departments should be included in the property tax levy. In order to achieve this, all capital outlay costs for Proprietary Fund Departments are included in this non-departmental budget. The costs for depreciation should not be included in the tax levy, therefore, an offsetting contra account for all Proprietary Fund Departments' depreciation costs is included in this non-departmental budget. This budgetary procedure has no County-wide tax levy impact.

The following table depicts the capital outlay by department for 2013 compared to 2012, the amount of depreciation in 2013 compared to 2012 and finally, the combination of these two entries that determines the tax levy amount for this non-departmental budget.
