DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

Approval of this resolution indicates Milwaukee County's support of a requirement that all resolutions, grants and contracts with a fiscal impact greater than \$300,000 include a completed Minority Impact Statement prior to Milwaukee County Board approval. The minority impact statement would explain qualitative and quantitatively the positive and/or negative impact the legislation, grant or contract may have on the following groups:

- Women
- African-American and Blacks,
- Hispanics/Latinos
- Asian and Pacific Islanders
- Native Americans and Alaskan Natives
- Elderly, over 65
- Disabled

The Director of the Office of Community Business Development Partners will develop a recommended ordinance and related procedures to formally implement the aforementioned minority impact statement requirement for consideration by the County Board no later than the March 2014 meeting cycle.

The development of a recommended ordinance and related procedures does not have a fiscal impact, but existing staff time will be necessary to complete.

¹ If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.

² Community Business Development Partners' review is required on all professional service and public work construction contracts.
