1. Periodically (suggested annually) convene					Auditee:
 Periodically (suggested annually) convene all pertinent managers and staff tasked with providing key services in helping Boerner Botanical Gardens achieve its stated mission, for the purpose of evaluating the current applicability of the Master Plan for achieving that mission. 	X		N/A	X	 December 2015 Response: Annual Meeting was held August 19, 2015. FBBG and BBG managers and leadership met September 1, 2015 and September 28, 2015 and plan to meet again to discuss finalizing the MOU in early December. Preliminary discussions have begun between FBBG and BBG to revise Master Plan. Current draft of the MOU calls for bi-annual meetings between the Parks Director, the Gardens Director and appropriate Parks staff and the Friends Board of Directors to workshop current accomplishments, plans, and issues. The MOU also requires that the Gardens Director and President of the Friends hold monthly one-on-one meetings every month. June 2016 Update: Monthly one-on-one continuing Parks Director reviewed draft RFP for Master Plan
					update. Final edits with Procurement scheduled
2. Evaluate BBG's mission statement in light of the recommended changes from the Master Plan, taking into consideration changes that have occurred since its issuance. If changes are deemed necessary, prepare a revised mission statement for County Board consideration.	x		N/A	X	 Auditee: <u>December 2015 Response:</u> Parks is currently working with County Procurement and FBBG to draft a Request For Proposal (RFP) for a firm to develop a new Master Plan. Evaluation of the mission statement will be part of the master plan process.

					 June 2016 Update: This will need to be completed after the Master Plan is finished
3. Develop a revised MOU between the County and FBBG consistent with the guidelines established in Chapter 13 of the Milwaukee County Code of General Ordinances, for County Board consideration that clearly sets forth the rights and responsibilities of each party. The MOU should include a reasonable contribution from FBBG to help defray the cost of operating the Education and Visitor Center. UW-Extension should be considered as a signatory if contributions are expected from it as well.	Х			X	 Auditee: <u>December 2015 Response:</u> MOU has been drafted and negotiations are ongoing. Timeline for the MOU is being followed and we are on schedule for completion in January. <u>June 2016 Update:</u> Draft MOU waiting for signatures
4. Request payment of past amounts owed by FBBG.	х	x	x		Auditee: <u>December 2015 Response:</u> • Funds have been requested. FBBG responded with the attached letter from October 13, 2015.
5. Consider earmarking revenues for deposit into the trust fund for use on projects that help BBG meet its Master Plan goals.	х	X	x		 Auditee: <u>December 2015 Response:</u> Draft MOU requires the Friends to maintain a designated account to receive contributions and donations in support of BBG to offset operating costs of the Garden and for capital improvements and infrastructure.
Explore the potential for instituting an intern program at BBG to help bridge the labor	Х	x	х		Auditee: December 2015 Response:

shortage while improving horticulture career opportunities. 7. Work with FBBG and UW-Extension to							 In accordance with draft MOU, the County will manage BBG's internship program and FBBG will assist in fundraising for the program. Intern Program has been created. Funding for the program for the next three years comes from Ladish Foundation. June 2016 Update: Milwaukee County Parks hired 2 seasonal Interns for the 2016 season. 	
7. Work with FBBG and UW-Extension to identify tasks other than weeding that could be performed or assisted by volunteer staff to help BBG stay current with its horticulture workload.	X		X		X		 Auditee: <u>December 2015 Response:</u> See attached volunteer job description that describes a number of tasks available for volunteers. In accordance with draft MOU, the BBG Director, FBBG President and other Garden partners will work together to identify volunteer tasks that could be performed or assisted by volunteer staff to help the Gardens stay current with its horticultural workload. 	
8. Develop a comprehensive signage and label program that addresses BBG's educational goals by providing the necessary educational information for all levels of BBG visitors.	x			N/A		х	 Auditee: <u>December 2015 Response:</u> BBG staff, UW-Extension staff and FBBG President have met, identification of signage areas being determined, and plan is being developed for implementation. Expected completion 2017. <u>June 2016 Update:</u> Interpretive signage is part of the scope with the Master Plan RFP

							management practices of like organizations to improve profitability of the Gift Shop.	
21. Require all chair rental revenue be deposited into the County general fund, and that those revenues be included for budget purposes.	x		х		х		Auditee: <u>December 2015 Response:</u> • Chair revenue going into BBG revenue for County.	
22. As an alternative, consider depositing chair rental revenues into the Friends of Boerner Botanical Garden Trust Account, for capital projects directly benefiting BBG.	x		х		Х		Auditee: <u>December 2015 Response:</u> • See Point #21.	
23. Submit a list of projects for enhancing BBG operations. Prioritize them, and include reasonable cost estimates for help in deciding which projects can be addressed with available funds vs. those projects requiring additional fundraising efforts.	X		x			X	Auditee: December 2015 Response: • In accordance with the draft MOU, the Gardens Director shall submit to the Friends President and Friends Chairperson a request for funds for capital and operational specific projects prior to March 31 st each year for the subsequent year. June 2016 Update: List is being developed and submitted in March 2017 as per the MOU.	
24. Improve the accuracy of reported attendance figures to the extent possible by using actual counts rather than estimates that include duplicate and potentially inflated attendance counts.	x			х		Х	 Auditee: <u>December 2015 Response:</u> Through the 2016 budget request, a point of sale system is to be installed as a means to continue to improve accuracy of reported attendance. The New Master Plan will consider a single public access point into BBG.
