SUBJECT: Information Report to File No. 17-153

The Milwaukee County Development Corporation and Mandel Group Inc., are to submit an annual update to the Milwaukee County Board of Supervisors on the status of the Burns Commons and Block 9 North of the former Park East freeway corridor per the Amendment to the East Point Commons Project Agreement¹. The Amendment was approved by the County Board of Supervisors on September 26, 1996 in Resolution 92-413(a)(g).

The Amendment directs the development team to submit an annual update to the County Board regarding the status of Block 9 north, and does not specify a timeframe for development, as the development is subject to market-demand and related economic feasibility.

¹ The Amendment to the East Pointe Commons Project Agreement was made effective on January 20, 1997.
