

From the Chief Judge, First Judicial District, Combined Court Related Operations, requesting authorization to increase an existing Professional Services Contract with JusticePoint by \$72,051, from \$252,088 to \$324,139, for an additional 20 Global Positioning System units, by recommending adoption of the following:

A SUBSTITUTE RESOLUTION

WHEREAS, the 2017 Budget (File No. 16-567) was adopted by the Milwaukee County Board of Supervisors on November 7, 2016, and the Budget was approved by the County Executive, which included funding for a Pretrial Services contract including 70 Global Positioning System (GPS) units at \$9.87 per unit, per day; and

WHEREAS, JusticePoint was awarded the Pretrial Services contract through a competitive Request for Proposals (RFP) process (RFP#: 98160003); and

WHEREAS, Milwaukee County's Pretrial Services implemented a new pretrial risk assessment instrument known as the Public Safety Assessment (PSA) on June 1, 2016; and

WHEREAS, under the PSA, more defendants are eligible for GPS supervision than under the previous assessment tool, which results in a need to increase the contract for GPS units utilizing surpluses from other contracts to fund the increase; and

WHEREAS, the Chief Judge initially requested the funds for the additional GPS units from the Appropriation for Contingencies, but subsequently determined that enough funds are available in the Secure Continuous Remote Alcohol Monitor (SCRAM) contract to cover the increase in the JusticePoint contract without impacting SCRAM operations; and

WHEREAS, an additional 20 GPS units would allow the defendants to meet their bond and be supervised in the community rather than waiting in the jail; and

WHEREAS, the Committee on Finance and Audit, at its special meeting of March 23, 2017, recommended adoption of File No. 17-237 as substituted; now, therefore,

BE IT RESOLVED, the Milwaukee County Board of Supervisors hereby authorizes the Chief Judge, First Judicial District, Combined Court Related Operations, to amend the JusticePoint Pretrial Services contract by increasing it \$72,051, for an additional 20 Global Positioning System units.
