Dear Ms. Mitchell,

On behalf of Local 139 of the International Union of Operating Engineers, AFL-CIO ("Local 139"), this will confirm that the bargaining unit, described as:

all full-time and regular part-time Airport Maintenance Division 5051 workers, including all equipment operators, mechanics, drivers, and other workers employed by the County and engaged in snow removal, maintenance, and repair work at General Mitchell Airport in Milwaukee, Wisconsin, but excluding guards, clerical employees, seasonal workers, and supervisors as defined by the Act,

has ratified and approved, consistent with the Local 139 By-Laws, the initial collective bargaining agreement, effective June 1, 2017, reached between Local 139 and the County at the bargaining session on Wednesday, August 16, 2017.

Please let me know if you need anything further from Local 139 to obtain County Board approval of the agreement. Upon approval by the County Board, the parties will promptly execute the agreement.

Sincerely,

Michael Ervin,
