## **DESCRIPTION OF FISCAL EFFECT**

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Interim Director of the Department of Health and Human Services (DHHS) is requesting authorization to enter into a 2018 purchase of service contract for community services with IMPACT, Inc. for services in the Management Services Division (MSD) for the period January 1, 2018 through December 31, 2018.

Approval of this request will ensure the continued availability of IMPACT's 2-1-1 community information line, which is a centralized access point offering free, confidential assessments and referrals for people in need during times of personal crisis or community disaster 24 hours per day, 365 days per year. This contract provides Internet and telephonic contact and referral information to all Milwaukee County residents (including services to the hearing impaired community via a TDD and to non-English speaking either directly, or by use of a telephone translation service). This is done by offering access to a comprehensive database containing over 5,500 community programs for residents seeking social services in Milwaukee County.

- B. Total 2018 expenditures included in this request are \$430,000.
- C. There is no tax levy impact associated with approval of this request in 2018 as funds sufficient to cover this expenditure are included as part of the DHHS Management Services Division's 2018 Budget. The budget includes \$388,162 in DHHS tax levy and \$41,838 in Wisconsin Home Energy Assistance Program (WHEAP) funding.
- D. This fiscal note assumes expenditures will not exceed the amounts authorized for this purchase of service contract.
