Dear Distinguished Colleagues,

This serves as my letter of intent to run for 1st vice-chair of the Milwaukee County Board of Supervisors for the 2018-2020 term. Like the chairman of the Board of Supervisors, 1st vice-chair should have a clear comprehension of what the issues are in our standing committees and an overall understanding of the goals of the board.

1st vice chair must be available and ready to step in if for any reason the chairperson is unable to attend a meeting or is unable to perform the duties of chairman temporarily or long term. 1st vice-chair needs to be a knowledgeable and well-respected spokesperson for our board. I believe my experience on the board and camaraderie with my colleagues would meet that criteria very well.

I have the most seniority on our board, have served on every standing committee, and have been appointed committee chair 4 times during my tenure, including chair of Finance and Audit. I currently serve as chair of the Personnel Committee. All four board chairmen I have served under have assigned me to the Finance and Audit Committee.

I have the intelligence, commitment and the competence to effectively represent the Milwaukee County Board with honesty and integrity.

I believe my record shows my willingness to speak out, especially during budget times, supporting our board in a strong, but respectful manner.

In closing, it would be an honor to serve as 1st vice chair and I would appreciate your vote on Monday, April 16, 2018.

Sincerely,

Jim "Luigi" Schmitt
