## **DESCRIPTION OF FISCAL EFFECT**

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
- A. Approval of this resolution amends Chapter 4 of the Milwaukee County Code of General Ordinances, creating section 4.02(2)(a), authorizing the Department of Health and Human Services to install "Homeless Donation Containers" at General Mitchell International Airport (GMIA).
- B. This resolution will generate additional revenue for homelessness programing. Larger airports have experienced amounts of less than \$100,000 per year. Existing staff time is needed to effectuate this resolution. This resolution is based on the assumption that revenues collected will cover the costs of the containers.
- C. Approval of this resolution is anticipated to have a positive impact on homeless programing. The Housing Division will report on the revenues and the budgetary impact based on actual experience.
- D. No assumptions or interpretations were made.

<sup>&</sup>lt;sup>1</sup> If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.

<sup>&</sup>lt;sup>2</sup> Community Business Development Partners' review is required on all professional service and public work construction contracts.
