Chairwoman Bomberg reported that she had recently received her cable bill and there was a \$10 increase in taxes without any warning of the increase. She received complaints that the sudden increase without any options is a hard ship for some and should not be allowed to happen. She stated that she will send this information to the Legislative Committee to check into.

Bomberg also thanked those that have been working hard into restoring and beautifying the Courthouse.

There being no further business and on a motion made, seconded, and carried the meeting was adjourned.
