4 (ITEM NO.) From the Director of Milwaukee of County Parks, requesting
5 authorization to execute a permanent storm sewer easement with the City of Milwaukee to
6 allow for the construction, operation and maintenance of storm sewer infrastructure within the
7 Kinnickinnic Parkway, by recommending adoption of the following:
8

9
10 **A RESOLUTION**

11 WHEREAS, the City of Milwaukee is currently undertaking a project to
12 reconstruct 60th Street in the vicinity of Kinnickinnic Parkway; and
13

14 WHEREAS, the 60" City storm sewer pipe that runs east-west under 60th Street
15 will be extended, and rip rap will be placed between the outfall and the river in order to
16 minimize erosion; and
17

18 WHEREAS, the new pipe and tributary area will not increase storm water flow
19 rates into the river; and
20

21 WHEREAS, the City is offering \$1,902 for this permanent easement, and Parks,
22 working in coordination with the Economic Development Division, has determined that
23 this is fair compensation for the 0.3 acres impacted; and
24

25 WHEREAS, Parks retains the right to require a right-of-entry permit for work on
26 parkland, during which time review of materials, including rip rap, will be evaluated; and
27

28 WHEREAS, the transaction will be documented with an easement and the storm
29 pipe and the surrounding area will be the responsibility of the City of Milwaukee to
30 maintain now, therefore,
31

32 BE IT RESOLVED, that Parks is hereby authorized to prepare, review, approve,
33 execute, record and/or implement the required documents or perform actions required
34 to grant a permanent easement to the City of Milwaukee for the construction, operation
35 and maintenance of storm sewer infrastructure at 60th Street and the Kinnickinnic
36 Parkway; and
37

38 BE IT FURTHER RESOLVED, that that the County Executive and County Clerk
39 be authorized to execute any required documents.
