DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

From the Sheriff, a request for authorization to pay hazardous duty pay allowance to Corrections Officers for the completion of the Wisconsin Department of Justice Law Enforcement Standards Board Firearms and Commercial Driver's License certification beginning January 1, 2018 and extending through 2019.

The 2018 cost of \$1,500 is based on 3 corrections officers that are currently certified that will be paid the \$500 hazardous duty pay allowance. The 2019 estimate of \$2,500 is based on the anticipation that there will be 5 corrections officers that will meet the qualifications of the \$500 hazardous duty pay allowance.

The cost for the hazard duty pay allowance will be paid out of the salaries and wages operating budget in 2018 and 2019.
