DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
-
- A. By approving this resolution, the County Board will adopt the recommendations made by the Fair Deal for Milwaukee County Workgroup. The Workgroup adopted this resolution at its meeting on January 17, 2019.
 - B. Approval of this resolution will not appropriate any funds or require the allocation of any new monies. It will require existing staff time to communicate its contents to the State Legislative Delegation and other parties deemed essential to the enactment of the recommendations. This fiscal note does not attempt to quantify the fiscal impact to Milwaukee County if any of the proposed recommendations are enacted in whole or part.
 - C. Approval of this resolution will have no budgetary impact in 2019 or 2020 as existing staff will be able to communicate its contents.
 - D. No assumptions were used.
