Washington, DC 20510

Dear Senator Johnson:

On behalf of the Milwaukee County Commission on Aging, I am writing to thank you for considering the interests of older Wisconsinites during the government shutdown debate.

Hundreds of low-income seniors in Milwaukee County could be affected by the loss of federally supported housing and SNAP benefits if the current shutdown continues. We ask that you call for the United States Senate to vote on bipartisan legislation to end the shutdown and fully reopen the federal government.

I look forward to working with your office in the coming months.

Please know that the Milwaukee County Commission on Aging remains an important voice for older adults in Wisconsin. If you have any questions or if we can provide your staff with a senior perspective on matters of policy concern to constituents in Milwaukee County, please do not hesitate to contact me at bjwyattsibley@aol.com or through the Milwaukee County Department on Aging.

Thank you for your service to the older adults of Milwaukee County.

Respectfully,

Barbara Wyatt Sibley
Chair
