Brodhead, Wisconsin 53520*

February 6, 2019

To whom it may Concern;

As owner and operators of Blue Line Elite Shepherds, it has been and always will be first and foremost for us to support and help all Law Enforcement Agencies in any capacity that we can as breeders of German Shepherd dogs. That is why we have made the decision to donate three of our female puppies from our A-litter, between Furia Satary Somora and Jax Vom Worm Haus to the K9 Unit of the Milwaukee House of Corrections. It is our intention with this donation of these three pups that they will fulfill their destiny that they were bred for to be working k9's in some form of capacity. We are making this donation to the Milwaukee House of Corrections K9 Unit and the County of Milwaukee with no expectation of any kind of compensation.

Sincerely Yours,

Charlie and Tammy Worm
