<p>1. Periodically (suggested annually) convene all pertinent managers and staff tasked with providing key services in helping Boerner Botanical Gardens achieve its stated mission, for the purpose of evaluating the current applicability of the Master Plan for achieving that mission.</p>	X			N/A	X		<p>Auditee <u>December 2015 Response:</u></p> <ul style="list-style-type: none"> Annual Meeting was held August 19, 2015. FBBG and BBG managers and leadership met September 1, 2015 and September 28, 2015 and plan to meet again to discuss finalizing the MOU in early December. Preliminary discussions have begun between FBBG and BBG to revise Master Plan. Current draft of the MOU calls for bi-annual meetings between the Parks Director, the Gardens Director and appropriate Parks staff and the Friends Board of Directors to workshop current accomplishments, plans, and issues. The MOU also requires that the Gardens Director and President of the Friends hold monthly one-on-one meetings every month. <p><u>June 2016 Update:</u></p> <ul style="list-style-type: none"> Monthly one-on-one continuing Parks Director reviewed draft RFP for Master Plan update. Final edits with Procurement scheduled <p><u>November 2016 Update:</u> Complete and ongoing bi-annually according to the MOU (section 3.b.) that was adopted by the County Board on 06/23/2016.</p> <p><u>June 2017 Update:</u> Complete. In accordance with the MOU, workshops involving staff from both BBG and FBBG for coordination on garden projects, volunteers, marketing and special</p>

18. Evaluate current sales items with an eye							<p><u>December 2017 Update:</u> Consultant has been chosen to update the Boerner Master Plan and develop a Business Plan. The evaluation of the current layout and access issues has been included in the scope of work for the consultant to review and provide recommendations as appropriate. Consultant work is anticipated to be completed in 2018.</p> <p><u>June 2018 Update:</u> Currently, responsibilities for admissions fall to Boerner staff, while the Gift Shop sales are managed by the Friends of Boerner. Consolidated POS equipment is less than ideal due to co-mingling of revenues between two different agencies. Consolidating POS locations for admissions and sales, as well as visitor flow will be evaluated during the Master Planning process.</p> <p><u>Audit Services Comment for December 2018 Update:</u> We met with DPRC management to discuss this recommendation. Based on these conversations we agreed that the department made a good faith effort to look for ways to implement our original recommendation, while still maintaining the provisions of the County's agreement with the Friends as well as proper internal control for County systems and cash management. We agree that at this point there are significant physical barriers associated with consolidating admissions and gift shop locations, the cost of which would likely not be off-set by any additional revenues gained. As a result, we are closing out this specific recommendation, and instead requesting that DPRC continue to monitor BBG gift shop revenue and work with Friends to improve customer traffic.</p> <p>Auditee:</p>

Implementation is contingent on the 2017 County budget approval process which will determine available funding as well as the installation scope and timeline as part of the Parks system-wide POS system.</p> <p><u>June 2017 Update:</u> Parks is working with IMSD regarding implementation of a POS system which will allow for greater attendance tracking and more efficient customer transactions. A vendor to install the POS has been chosen. Scope and timing of implementation of the new POS system will begin Parks system-wide in 2018 contingent upon funding through the County budget.</p> <p><u>December 2017 Update:</u> Parks continues to work with IMSD regarding implementation of a POS system which will allow for improved attendance tracking and more efficient customer transactions. File 17-522 authorized Parks to execute a Software License, Maintenance, and Support Agreement with Vermont Systems, Inc., for parks recreation management software and a point-of-sale system to do programming work and data entry in anticipation of a new system go-live date of January 2018. Currently Parks has funding for 2017 Phase I development of the new POS system with Vermont Systems, Inc. as the vendor via File 17-522, but requires Phase II funding to implement the system in 2018. The CEX 2018 Recommended Budget included capital funding for the replacement and implementation of POS system; however, Board deleted project in Board 2018 Adopted Budget. Parks has prepared a Board item for December 2017 cycle to fund</p>
