Subject: Preliminary Financing Goals for the 2020 Capital Improvement Budget

Attached you will find a table outlining the preliminary financing guide (guide) for the 2020 Capital Improvement Budget. The guide provides an estimated total amount of capital project costs the County can incur based on the following assumptions:

- 1. Adherence to the annual bonding cap of no more than 3% over the previous year's General Obligation bond issue. The estimated 2020 Bonding Cap is \$44,927,646 (based on the 2019 adopted bonding amount of \$43,619,074).
- 2. 20% Cash financing goal (or \$11,231,912) for the County's share of each capital improvement project.

Please keep in mind that this is a preliminary guide and is subject to modification. Any revisions to the guide made as a result of such changes, will be given to members at the next Capital Improvement Committee meeting.
