

COUNTY OF MILWAUKEE
Inter-Office Communication

DATE: December 16, 2019

TO: Supervisor Theodore Lipscomb, Sr., Chairman, Milwaukee County Board of Supervisors

FROM: David Muhammad, Deputy Director, Department of Health & Human Services
On Behalf of Mary Jo Meyers, Director, Department of Health and Human Services

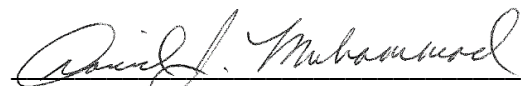

SUBJECT: Request to Amend Resolution File No. 19-886

I am writing to request your assistance in correcting Resolution File No. 19-886 passed by the Committee on Finance and Audit last week. The current resolution incorrectly identifies Dunganvin and Milwaukee Center for Independence as the providers for Supportive Living Options (SLO) services in 2020. However, Broadscope and St. Charles should have been listed on the resolution as the correct providers. Broadscope and St. Charles have been providing SLO services throughout 2019.

We sincerely apologize for our oversight. We are working with Sup. Moore Omokunde to potentially offer an amendment so that our error can be corrected and services can continue uninterrupted into 2020. We are also working with the Comptroller's Research Services Division to draft the amendment.

I have attached File No. 19-886 with strike through language for your information.

Please feel free to contact me with any questions. Thank you for your consideration of our request.
