## **DESCRIPTION OF FISCAL EFFECT**

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
- A. Passage of this resolution concurrently with a substantially similar one from the City of Milwaukee would create a joint taskforce composed of the Milwaukee County Board Chairman, Milwaukee Common Council President, Milwaukee Public School District Superintendent, Milwaukee Board of School Directors President, or their designees, and a County Board Supervisor and City of Milwaukee Alderman. The taskforce would address how the County, City, and School District might collaborate to share operational and capital resources under a racial equity lens to better serve the people at a more efficient cost.
- B. There are no anticipated costs for Milwaukee County. The City of Milwaukee Clerk's Office will provide staffing support for the taskforce and the resolution obliges no expenditures from Milwaukee County. Participation on the Taskforce would require the time of the Chairman or his designee and one more County Board Supervisor.

C.	This resolution has no budgetary impact.

D. No assumptions were made.
