**Subject:** Request to Withdraw, File 20-274

Janelle,

Given that the requested action of providing \$15,000 to the Fair Housing Council was recommended on May 18 as an amendment in File 20-353 by the Committee on Economic and Community Development and is pending adoption by the Board on May 28, I wish to withdraw File 20-274.

Copied is Supervisor Johnson, Jr., my co-sponsor on both the resolution and amendment to provide \$15,000 to the Fair Housing Council, and I ask that he affirm this request to withdraw File 20-274 given the amendment in File 20-353 will accomplish the same purpose from different funding sources.

Thank you,

Marcelia
