SUBJECT: **An informational report from the Interim Director, Department of Health and Human Services, providing an update on the Department of Corrections**

Background

Since December 2015, key partners, including the County Executive, County Board of Supervisors, Chief Judge, District Attorney, Public Defender, Department of Health and Human Services (DHHS) Director, Division of Youth and Family Services (DYFS) Administrator, Wraparound Milwaukee Director, and other involved parties have been meeting to formulate a plan to address the crisis at Lincoln Hills and Copper Lake Schools and ensure the safety of youth. DHHS has been providing regular updates on the status of the State-operated Lincoln Hills School for Boys and Copper Lake School for Girls. This report provides a follow up on the number of youth committed to the Wisconsin Department of Corrections (DOC)-Division of Juvenile Corrections (DJC) and the type of placement for the youth.

The youth that was ordered to the DJC in May 2020 was on a Serious Juvenile Offender (SJO) order and is a 17-year-old African American male.

Type of placement with the Division of Juvenile Corrections

As of June 4, 2020, there were a total of 42 boys at Lincoln Hills (18 on SJO orders and 24 on regular DOC commitments). There were two girls at Copper Lake (two on regular DOC commitments). There were nine youth at Mendota Juvenile Treatment Center (five on SJO orders and four on regular DOC commitments).

Milwaukee County took over the Aftercare supervision from the State of Wisconsin effective July 1, 2017 for all non-SJO youth. All DOC-DJC youth placed in the community were assigned to a DYFS Human Service Worker who provides supervision and case management for the youth and their families. The youth are all receiving appropriate services in the community including, but not limited to, GPS monitoring for the initial 30 days or more in the community, intensive monitoring, clinical services, etc.

As of June 3, 2020, there were 16 youth on Aftercare in the community. Of those youth, seven were placed in-home, three in Secure Detention, two in Milwaukee County Jail and one in the Racine Jail. As of the time of this report, three youth were currently missing, and Capias/apprehension requests had been issued.

The current average daily population (ADP) of Milwaukee County youth in Lincoln Hills and Copper Lake Schools (excluding youth in the SJO Program under a state commitment) has fallen steadily from 2016 to the current reporting period. The ADP for April is 34. Please see the chart below:
