Example of a social media post promoting Milwaukee County Parks, community stewardship, and the Brew Hero micro-volunteering program.

 Veteran's Park, Milwaukee Lakefront ...

 Our Parks & Lakefront draw large crowds on beautiful weekends... Leaving behind heaps of trash. (And apparently, shoes!) 

Felt the need to put my hands to productive use this morning. Seven full 5-gallon buckets of trash later... I feel pretty good about #VeteransPark

Find yourself with extra time these days? Spend an hour or two picking up your neighborhood!  [#MKEBrewHero](#)
