**DEVELOPMENT AGREEMENT
FOR THE
BOERNER BOTANICAL GARDENS CHILDRENS GARDEN
BETWEEN
MILWAUKEE COUNTY PARKS
AND
MARGIE’S SMILE**

This Development Agreement (this “Agreement”) is made and entered into effective _____ (the “Effective Date”), by and between the MILWAUKEE COUNTY PARKS (the “County”), and MARGIE’S SMILE, INC. (the “Developer”). Referenced together, the County and the Developer are the parties (the “Parties”) to this Agreement.

WITNESSETH:

WHEREAS, Margie’s Smile is a Wisconsin corporation which exists to construct a children’s garden to honor the memory of Margaret Purpero Kezman; and

WHEREAS, The County and community partners have from time to time collaborated to fund and install new improvements to Boerner Botanical Gardens (the “Gardens”) in order to enhance the visitors’ experience and support the County’s mission; and

WHEREAS, The County has identified the benefit of adding a new garden to the existing Gardens with improvements and programming that are specifically tailored to engaging children and introducing them to the importance of our natural world; and

WHEREAS, The County desires such park improvements to be made to enhance the Gardens; and

WHEREAS, the Milwaukee County Board of Supervisors, by virtue of adopting Resolution ____ on _____, has authorized the Milwaukee County Parks to enter into this Development Agreement with the Developer for and on behalf of Milwaukee County.

NOW THEREFORE, the Parties do herewith, in consideration of mutual promises and other good and valuable consideration, agree as follows:

1. USE OF THE PREMISES FOR IMPROVEMENTS: The Developer shall furnish and install a children’s garden (the “Children’s Garden”) as set forth in the proposal attached hereto as Exhibit A (the “Proposal”). The Children’s Garden shall be located within the Gardens on the premises specified in Exhibit B (the “Premises”). The Developer has engaged New Eden Landscape Architecture, LLC (“New Eden”) to serve as the Developer’s architect for the Project. Subject to the terms and conditions hereof, the Developer contemplates engaging

several contractors to complete construction of the Project. The furnishing and installation of the Children's Garden on the Premises as contemplated hereby is referred to herein as the "Project."

2. CONDITION OF THE PREMISES: County makes no representation or warranty that the Premises, including but not limited to the land, electrical and other mechanical systems: (a) meet and comply with all federal, state, and local laws, ordinances and regulations; and (b) are in workable and sanitary order and state of repair at the time of delivery to the Developer. The Developer acknowledges that it has been made aware by County that the Developer may use the Premises on an "as-is" basis which may or may not prove to be suitable for all purposes contemplated by the Developer, either now or in the future. The County shall not be responsible for performing any grading or compaction work with respect to the Premises. The Developer is solely responsible for and must make adequate allowance for all excavation and disposal costs necessary for the Project including site restoration and soil relocation. The Developer shall be solely responsible for procuring all property development costs, including, but not limited to, extension of water laterals and utilities to the Premises. The Developer hereby releases and disclaims any claim, damage, loss, injury or obligation whatsoever of the County in any way relating to or arising out of the physical condition of the Premises and/or any matters described in this Section 2. Such disclaimer and release shall include any action at law or in equity, whether arising out of contract or tort law. The Developer further acknowledges that it has freely inspected the Premises and is aware of its general overall condition.

3. CONSTRUCTION SCHEDULE: Subject to the terms and conditions hereof, the Developer agrees (i) to commence construction of the Children's Garden, defined as commencement of site improvements on the Premises for the Children's Garden within nine (9) months after the Effective Date (the "Project Commencement Date") and (ii) to complete construction of the Children's Garden, defined as completion of all items on the Punch List (as defined below) and final cleanup of the Premises, as well as any adjacent County Property that Developer has used as a staging area during construction ("Final Completion"), within eighteen (18) months after the Project Commencement Date, or within such longer period of time as may be needed to complete construction if the Developer is diligently pursuing construction. When the Developer commences site improvements on the Premises, the Developer shall cause New Eden or the Developer's principal landscape contractor to certify to the County that construction on the Children's Garden has been commenced. When the Developer determines the Children's Garden has been substantially completed in accordance with the Proposal and Plans, subject only to items of work that would not adversely affect public use of the Children's Garden, the Developer shall cause New Eden or the Developer's principal landscape contractor to certify to the County that the Children's Garden is complete in accordance with the Proposal and Plans, subject only to items of work on a proposed list. Within ten (10) business days after the delivery of such proposed list to the County, the County shall either approve the proposed list or request modifications thereto. If the County requests modifications thereto, the Parties shall negotiate in good faith to agree on and execute a final list within ten (10) business days after the County requests modifications. The proposed list as approved by the County, or as modified by the agreement of the County and the Developer is referred to herein as the "Punch List." When the Developer determines that Final Completion has been achieved, the Developer shall give notice thereof (a "Notice of Final Completion") to the County. Within ten (10) business days after the Developer delivers notice of Final Completion to the County, the County shall deliver to the Developer (i) a notice accepting Final Completion or (ii) if Final Completion has not in fact been

achieved, a notice rejecting Final Completion identifying all deficiencies, which deficiencies shall be promptly corrected by the Developer. Once such deficiencies have been corrected, the Developer shall deliver a new notice of Final Completion to the County, and such review process shall be repeated until the County accepts Final Completion. The date on which the Developer in fact achieves Final Completion is referred to herein as the "Final Completion Date." If the Developer ceases construction of the Project before the Final Completion Date, other than due to a Force Majeure Delay, for sixty (60) consecutive days, such event shall be deemed a "Construction Stoppage." Effective as of the Final Completion Date, Developer hereby transfers, assigns and conveys to County all right, title and interest in and to such structures, alterations, additions, improvements and/or other personal property or fixtures installed on the Premises by the Developer as part of the Project (including generic signage permanently affixed to the Premises), free and clear of all liens, claims and encumbrances.

4. SCOPE OF WORK: County agrees to use reasonable efforts to assist the Developer in its efforts to furnish a children's garden for the Gardens. Using reasonable efforts shall not impose on County any obligation to budget or pay for the improvements to the Gardens but may require County staff time and advisory support. County shall not be responsible for securing any required approvals, zoning changes, building permits or other required authorizations from regulatory or governmental agencies, but County agrees to assist the Developer in obtaining rezoning, licenses, permits or approvals, at the Developer's sole cost and expense.

5. BUDGET: The Developer has submitted a preliminary budget to the County for the Project. The total preliminary budget is \$_____.

6. CONDITIONS TO CONSTRUCTION; CONSTRUCTION:

a) Costs. All costs associated with the furnishing and installation of the Children's Garden as contemplated hereby, including disconnection and/or hookup of Utilities in conjunction therewith, shall be the responsibility of the Developer. "Utilities" shall include sewer, water, gas, and electricity.

b) Plan Approval; Permits. Prior to the start of any construction or renovation of the Premises, the Developer shall submit detailed construction plans and specifications (the "Plans") to the then serving Milwaukee County Parks Executive Director or his or her designee (the "Parks Director") and the Architecture and Engineering Section of the Milwaukee County Department of Administrative Services for review and approval. Submittals shall include, but not be limited to, shop drawings containing product information, and materials and products shall be subject to approval by the Parks Director. The Plans will be consistent with the Proposal. Any Material Alteration to the Plans must be approved by the Parks Director. "Material Alteration" means any change to the equipment type, location, or construction materials, or any change to the borders and extent of the Children's Garden as provided for in the Plans. Material Alteration does not include an alteration required by any municipality or other governmental agency or otherwise required by law, or an alteration required due to shortages or unavailability of materials (though substitute must be of comparable quality). The Developer shall procure and pay the fees for all appropriate federal, state, and local licenses and permits required for its activities hereunder. Prior to the start of any construction or renovation of the

Premises, the Developer shall obtain, and be in compliance with, all necessary permits and licenses from the appropriate governmental authorities including applying for a Right of Entry permit, which is required by County for all utility and construction-related work on parkland.

c) Contractor Approval. Prior to the start of any construction or renovation of the Premises, the Developer shall submit a list of the contractors that the Developer proposes to use to complete construction of the Project, together with proposed contracts, to the Park Director for review and approval. The contractors and contracts approved by the Parks Director are referred to herein as the “Contractors” and “Contracts,” respectively.

d) Final Budget Approval. Prior to the start of any construction or renovation of the Premises, and based upon the Contracts, the Developer and the Parks Director shall agree upon a final budget for completion of the Project (the “Final Budget”).

e) Proof of Financial Wherewithal. Prior to the start of any construction or renovation of the Premises, the Developer shall provide to the Parks Director a letter from the Developer’s banking institution stating that the Developer has on deposit with such banking institution cash in excess of one hundred ten percent (110%) of the Final Budget amount.

f) Construction Standards. All development and landscaping shall be completed in a first-class manner and consistent with the standards then in effect established for other work in Milwaukee County Parks. Any and all alterations, additions and improvements shall be made in compliance with all statutes, laws, ordinances, rules, and regulations then in effect of any governmental authority having jurisdiction over the Premises. The Developer shall also indemnify and hold the County harmless from and against all statutory liens or claims of liens of any Contractor, subcontractor, laborer or any other party which may arise in connection with any alteration, addition or improvement to the Premises undertaken by or on behalf of the Developer. Except as provided in the Plans as approved by the Parks Director, and/or any alteration thereto that does not constitute a Material Alteration, the Developer shall not make any alterations or additions to the Premises without the prior written consent of the Parks Director, except in the event of an emergency, when such consent shall not be required, provided that notice shall be given as soon as reasonably possible thereafter.

g) Builder's Risk. The Developer or its general contractor shall provide Builder's Risk insurance coverage on a completed value form insuring for special perils, with Milwaukee County as additional insured and loss payee on the insurance certificate. Coverage is during construction period and is intended to terminate on the Final Completion Date. Prior to the start of any construction or renovation, the Developer shall supply the Parks Director with written evidence of Builder's Risk insurance for review and approval. The Parks Director shall provide a written response to the Developer within thirty (30) days of receiving written evidence of the Developer’s Builder's Risk insurance documents.

h) Workforce Goals – Targeted Business Enterprise Participation. The Developer shall use good faith efforts to ensure that Targeted Business Enterprises (“TBE”) have an equal opportunity to receive and participate in the Project and shall require that its Contractors do the same. The Developer shall utilize good faith efforts to achieve a minimum goal of 25 percent TBE participation for Project costs relating to the hard construction costs and a minimum goal of 17 percent TBE participation for Project costs relating to professional services.

Achievement of the foregoing TBE goals may be impacted by the actual available workforce across and within certain trades at the time of construction.

i) Licensed Tradespersons. The Developer agrees that all renovations and improvements shall be performed by fully licensed Contractors and subcontractors who shall utilize industry standard supplies, equipment, and construction methods in the performance of their duties. The Developer shall require its Contractors and all subcontractors, if any, to obtain and maintain adequate insurance coverages with liability limits not less than that required of the Developer hereunder. The Developer shall have responsibility to enforce compliance with these insurance requirements and provide evidence of insurance for any Contractor or subcontractor as acceptable to the Parks Director.

j) Construction Documents. The Developer agrees that within sixty (60) days after Substantial Completion, the Developer shall provide to the Parks Director a complete set of construction documents to be included as a minimum: (a) as-built drawings; (b) a copy of all work orders and change orders; (c) a copy of all lien-waivers; (d) operation manuals or cut sheet drawings of any mechanical fixtures or equipment which was installed; (e) manufacturer's warranties or extended warranties; (f) a copy of all construction permits and signed drawings; (g) Hales Corner's final occupancy permits, if applicable.

k) Removal of Equipment and Supplies. Before the Final Completion Date, the Developer shall remove, at its costs, all of its equipment, supplies, and related items from the Premises and shall restore any areas adjacent to the Premises used by the Developer as a construction staging area to a parklike condition to the reasonable satisfaction of the Parks Director. Damage caused to the Premises and/or any adjacent areas of County Property by any removal of personal property will be promptly (that is, within ten (10) business days) repaired by the Developer. If for any reason the Developer does not comply in a timely manner with its obligations under this paragraph, then the County may remove, dispose of, or retain such property and make such repairs as the County sees fit. It is mutually agreed that the County may recover from the Developer any and all reasonable costs, as determined by the County, related to this Section. The Developer agrees to surrender the Premises and any areas adjacent to the Premises used by the Developer as a construction staging area in good condition, subject to ordinary wear and tear and casualty.

l) Nondiscrimination and Affirmative Action. In construction of the Project and performance of its duties and obligations hereunder, the Developer shall require that its Contractors shall not discriminate against any employee or applicant for employment based on race, color, national origin or ancestry, age, sex, sexual orientation, gender identity and gender expression, disability, marital status, family status, lawful source of income, or status as a victim of domestic abuse, sexual assault or stalking which shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training, including apprenticeships. The Developer will require that its Contractors shall post in conspicuous places, accessible to employees, notices setting forth the provisions of the foregoing nondiscriminatory clause. The Developer will require that its Contractors shall strive to implement the principles of equal employment opportunities through an effective affirmative action program, which program shall have as its objective to increase the utilization of women,

minorities and handicap persons, and other protected groups in construction of the Children's Garden.

7. MAINTENANCE AGREEMENT: Upon the execution hereof, the Developer and the Parks Director shall enter into good faith negotiations with respect to a Maintenance Agreement. It is anticipated that the Maintenance Agreement will: (A) include a list of all maintenance tasks required to operate and maintain the Children's Garden, and shall divide those tasks into two categories, tasks to be performed by Developer and tasks to be performed by the County; (B) provide for the Developer to perform the tasks in the first category and reimburse the County for the tasks in the second category for a period of not less than twenty (20) years; (C) enable the Developer to extend the term of the Maintenance Agreement indefinitely, subject to appropriate repricing in light of changed market conditions; and (D) provide some arrangement to ensure the County with respect to the Developers financial ability to fund its obligations under the Maintenance Agreement. Any other provision hereof to the contrary notwithstanding, no construction shall begin hereunder unless and until the Developer and Parks Director have entered into a mutually satisfactory Maintenance Agreement, and the Parties obligations hereunder shall be null and void if the Developer and Parks Director have not entered into a mutually agreeable Maintenance Agreement by April 30, 2021.

8. COUNTY AGREEMENTS: For as long as the Developer funds maintenance of the Children's Garden as contemplated by the Maintenance Agreement, the County agrees that except as the Developer may otherwise agree from time to time in writing:

- a) Name. The Children's Garden shall be known as "Margie's Garden." The County shall make reasonable good faith efforts to refer to the Children's Garden as "Margie's Garden" in all County publications, hard copy and digital, when reference is made to the Children's Garden. Without limitation to the foregoing, the County shall not grant any other naming rights with respect to the Children's Garden and/or any element thereof.
- b) Commercial Activities. The County shall not allow any commercial activities on the Premises, including, by way of example and not by way of limitation, any ice cream stand or gift shop.
- c) No Admission Fee. The County shall not charge any additional admission fee for entry and/or access to the Children's Garden other than the published admission fee to the Gardens.
- d) Private Events. The County shall not allow the Children's Garden to be used for private events or fund-raising activities, subject to the provisions of the Maintenance Agreement
- e) Material Alteration. The County shall not redesign, redevelop and/or modify the Children's Garden in a way that would materially alter the Children's Garden and/or any visitor's experience of the Children's Garden and/or reallocate any portion of the Premises for a purpose other than the Children's Garden, subject to the provisions in the Maintenance Agreement.

9. DEFAULTS AND REMEDIES:

a) Events of Default by the Developer. Any one or more of the following events are hereby defined as, declared to be, and constitute an “Event of Default” by the Developer for purposes of this Agreement: (a) a Construction Stoppage (as defined in Section 3 hereof) by the Developer, subject to extension for Force Majeure Delays; (b) the Developer fails to commence construction of the Children’s Garden by the Project Commencement Date subject to extension for Force Majeure Delays; (c) the Substantial Completion Date, has not occurred within eighteen (18) months after the Project Commencement Date, subject to extension for Force Majeure Delays or (d) the failure of the Developer to perform any other term, condition or covenant to be performed or observed by the Developer, subject to extension for Force Majeure Delays. In the event an Event of Default by the Developer shall occur, the County shall send written notice to the Developer (the “Default Notice”) specifying the nature of the Event of Default in detail, and the Developer shall have thirty (30) days after receipt of the Default Notice to cure such Event of Default. In the event that the Developer does not cure such Event of Default within such thirty (30) day period (or such other reasonable time as necessary if such Event of Default cannot be cured within thirty (30) days and the Developer, upon receipt of Default Notice, promptly commences the process of curing such Event of Default and diligently and continuously pursues such cure to completion), the County may pursue any available remedy against the Developer, either at law or in equity, including, without limitation, the right to pursue specific performance and collect actual damages (but not consequential damages) for the Developer's failure to perform (including, without limitation, the cost to restore the site to its previous condition, the damages, if any, related to, or arising out of, the infrastructure related to the Property and the cost of financing used to construct such infrastructure, and any guaranty thereof, any costs associated with overtime or additional labor forces in order to timely construct the Project, and other outside fees, including reasonable attorneys' fees).

The Developer agrees that damages will not be an adequate remedy at law and that the County shall have the right to an injunction or other judgment of specific performance to enforce any provision in this Agreement, the County ordinances or any other State or Federal law. Venue for such action shall be Wisconsin State Court with venue in Milwaukee County. The County shall be entitled to its reasonable attorneys' fees in any action, in which it prevails, to enforce such provisions of this Agreement, including the actual costs of Milwaukee County Corporation Counsel's office if it is the attorney for the County or reasonable attorney fees for other attorneys that may be hired by the County.

b) Rights and Remedies Cumulative. Except as otherwise expressly stated in this Agreement, the rights and remedies of the Parties are cumulative, and the exercise by any Party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times of any other rights or remedies for the same default or any other default by the other party.

10. COMPLIANCE WITH LAWS: While furnishing and installing the Children’s Garden, the Developer shall, at the Developer’s expense, promptly comply with all laws, rules, and regulations made by any governmental authority having jurisdiction over the Developer’s use of the Premises pertaining to: (a) accessibility, ensuring that the Premises and environs are fully accessible pursuant to the American with Disabilities Act of 1990 and the Architectural

Barriers Act of 1968 and such accessibility is approved by the Milwaukee County Office of Persons with Disabilities; and (b) the Developer's activities on the Premises.

11. CLEANLINESS OF SURROUNDING AREAS: The Developer shall be responsible for the collection and removal of all trash, litter and garbage associated with its activities. The Developer shall be responsible for maintaining the areas surrounding the Premises during construction in a state of cleanliness to prevent injuries to the public. The Developer agrees not to store or accumulate unused or excess materials, supplies, or equipment which may create a hazard to the public or result in unsightly surroundings.

12. NAMING RIGHTS: The Developer shall not sell, advertise, promise, allow, or issue naming rights to any portion of the Premises without the prior written authorization of the Parks Director.

13. COUNTY RIGHTS OF ACCESS AND AUDIT: Until that date three (3) years after the Final Completion Date, upon reasonable notice and at reasonable times, the Developer shall allow the County Audit Services Division and department contract administrators (collectively referred to as "Designated Personnel") to audit, examine and make copies of any and all records of the Developer related to furnishing and installing the Children's Garden and/or its compliance with the terms hereof. The Contractors and all subcontractors, if any, performing work on behalf of the Developer hereunder, will be bound by the same terms and responsibilities as the Developer. All Contracts or other agreements for work performed on behalf of the Developer under this Agreement will include written notice that the Contractors and all subcontractors, if any, understand and will comply with such terms. The Developer, on behalf of itself, the Contractors and all subcontractors, if any, hereby acknowledges (A) that Section 34.09 of Chapter 34 of the Milwaukee County Code of General Ordinances authorizes the County Comptroller to audit all functions of County Government and Section 34.095 of Chapter 34 of the Milwaukee County Code of General Ordinances authorizes the Comptroller's Audit Services Division to investigate allegations of fraud, waste, and abuse involving County Government and (B) that, subject to the terms and conditions hereof, the Developer, the Contractors and all subcontractors, if any, are subject to the terms thereof in connection with their activities related to the Project, to the extent such activities involve County Government.

14. INSURANCE:

a) The Developer agrees to maintain policies of insurance and proof of financial responsibility to cover such costs as may arise from claims for damages to property of and/or claims which may arise out of or result from the Developer's activities, by whomever performed, in such coverage and amounts as required and approved by the Parks Director. Acceptable proof of such coverage shall be furnished to the Parks Director prior to commencement of any construction or renovation of the Premises under this Agreement. A certificate of insurance shall be submitted for review for each successive period of coverage through the Final Completion Date, unless otherwise specified by the Parks Director, in the minimum amounts: General Liability \$1,000,000 per occurrence \$2,000,000 general aggregate, Workers' Compensation Statutory limit and Employer's Liability \$100,000/\$500,000/ \$100,000. The

Developer may terminate this Agreement at its sole and absolute discretion upon one hundred eighty (180) days' prior notice to County.

19. FORCE MAJEURE: Notwithstanding anything to the contrary contained in this Agreement, neither the Developer nor the County shall be considered in breach or default of its obligations with respect to the construction of the Children's Garden (including the Project Commencement Date, Construction Stoppage or the Substantial Completion Date) or the construction of any items of the infrastructure, as the case may be, in the event that a delay in the performance of such obligations is due to causes which were beyond its reasonable control, such as adverse weather conditions, strikes, acts of God, acts of a public enemy, acts of any governmental authorities (including the County in the case of the Developer), fire, flood, epidemics, embargoes or shortages of material from all reasonable sources, which shall not in any event include any economic hardship or delay due to the condition of the economy or real estate market ("Force Majeure Delay"). In the event of a Force Majeure Delay, the time for performance of the affected obligation shall be extended for the period of the Force Majeure Delay; provided, however, the delayed Party shall promptly deliver written notice to the other Party of the cause thereof. Failure to deliver written notice of such delay, with back up documentation if appropriate, shall constitute a waiver of the delayed Party's right to claim an extension of its time period because of the Force Majeure Delay.

CONSUMER DISCLOSURE

From time to time, Wisconsin Milwaukee County (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through your DocuSign, Inc. (DocuSign) Express user account. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to these terms and conditions, please confirm your agreement by clicking the 'I agree' button at the bottom of this document.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. For such copies, as long as you are an authorized user of the DocuSign system you will have the ability to download and print any documents we send to you through your DocuSign user account for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

Withdrawing your consent

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
