## **DESCRIPTION OF FISCAL EFFECT**

## In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated.<sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. Milwaukee County and Milwaukee Public Museum, Inc. (MPM) have an effective Lease and Management Agreement executed on August 5, 2013 through December 31, 2022 with successive extensions to 2042. An amendment is requested to modify the following:

1. To expressly state that fundraising amounts that have been raised through a separate legal entity that is not consolidated into the MPM financial statements may be counted toward MPM's goal.

B. No additional direct costs are anticipated for the current budget year

C. The 2020 adopted budget includes an appropriation for Milwaukee Public Musuem of \$3,500,000. Under the current agreement, the minimum required appropriation from Milwaukee County for 2021 is \$3,200,000. An amendment in 2018, increased the minimum contribution to \$3,500,000 in 2019 & 2020, resulting in an increased commitment by Milwaukee County of \$150,000 in 2019 and \$300,000 in 2020. If MPM achieves fundraising goals by December 31, 2020, contributions remain at \$3,500,000 through 2022. If the goals are not achieved, Milwaukee County contributions revert back to the original schedule in 2021. Based on this Amendment, there would be no decrease in the appropriation from Milwaukee County for 2020 or 2021 for the Milwaukee Public Museum not obtaining its required attendance goals and minimum operating earnings due to the COVID-19 pandemic.

D. This analysis assumes that MPM has not achieved the \$5 million dollar fundraising goal outlined in the executed Lease and Management Agreement from 2013 but that the remaining dollars have been achieved through a separate legal entity.

<sup>&</sup>lt;sup>1</sup> If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
