Liability Statement

The State of Wisconsin, and consequently the Board of Regents of the University of Wisconsin System as an agency of the State, is self-funded for liability (both public and property) under ss. 893.82 and 895.46(1), Wis. Stats. As a result, such protection is applicable to officers, employees and agents, including employees of the University of Wisconsin-Extension. Since this is statutory protection, there is no policy on which to name any other entity as an additional insured. This coverage is both general and professional and is continuous under the law. In addition to the statutory protection, the State of Wisconsin carries excess coverage for both general and professional liability. Workers compensation coverage is also provided to all employees under Chapter 102 of Wisconsin Statutes.
