## **DESCRIPTION OF FISCAL EFFECT**

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. <sup>1</sup> If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Director of the Department of Health and Human Services (DHHS) is requesting authorization to execute 2021 Housing Division purchase of service contracts with community vendors.

Approval of this request will allow the Director of DHHS to execute purchase of service contracts to continue provision of contracted Emergency Shelter Care, Permanent Supportive Housing Development Support Services, Supported Apartments, Pathways to Permanent Housing, Shelter Plus Care Supportive Services, Peer Support Program, and Homeless Case Management.

- B. Total 2021 expenditures included in this request are \$3,668,266. This reflects \$3,500,766 for a term of January 1 to December 31, 2021 and \$167,500 for a term of January 1 to April 30, 2021.
- C. There is no tax levy impact associated with approval of this request in 2021 as funds sufficient to cover associated expenditures are included as part of Housing's 2021 Budget.
- D. This fiscal note assumes expenditures will not exceed the amounts authorized for these purchase of service contracts.
