OFFICE OF THE COUNTY EXECUTIVE

Milwaukee County

DAVID CROWLEY • MILWAUKEE COUNTY EXECUTIVE

Dear Leaders & Managers,

Effective immediately, we are ending the Fiscal Actions Administrative Order (AO 20-9v3) and capacity limits and some allowable activities in County facilities are being updated in accordance with evolving public health guidance and best practices.

Termination of Fiscal Actions AO 20-9v3

The actions taken by each of you to date in accordance with the requirements of this order, in addition to federal and state support for local governments, are allowing us to turn off these more-rigorous administrative controls over expenditures. This means the freezes on hiring, personnel actions, overtime, and the new contracts and amendments are all lifted. In order to ensure that the County remains within its budget, defect reporting requirements will be maintained and enforced.

Service Risk Mitigation and Re-Opening Requirements Order 20-13 Updated
