

**“One thing I want to make very clear is that we are not in any way suggesting in this proposal that we expand law enforcement into the array of situations into which the Behavioral Health Division currently responds without law enforcement personnel. What we’re looking to do is actually to bring Behavioral Health personnel into the picture for existing interventions that would currently be solely law enforcement interventions”**

**– Chief of Staff Chisholm, Finance Committee, May 13<sup>th</sup> 2021**

# Traditional model (pre CART)

**= 6 sworn officers**

# Proposed model: CART

**= 3  
sworn  
officers**

**= 3  
sworn  
officers**

6

-

3

**= 3 redundant sworn officers  
(no need for 9)**
