DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Director of the Department of Health and Human Services (DHHS) is requesting authorization to amend a purchase of service contract with Sirona Recovery, Inc. for the Pathways to Permanent Housing Program.

Approval of this request will allow the Director of DHHS to maintain continuity of services for this program pending the outcome of a Request for Proposals (RFP) process.

B. In December 2020, DHHS recommended and the County Board approved, a four-month contract with Guest House from January 1, 2021 to April 30, 2021 in the amount of \$167,500 (File 20-876). Due to the ongoing RFP process, the contract was extended again to June 30, 2021 with an amendment for \$204,695 under File 21-424 for a total contract of \$372,195. Because the Guest House contract ended, an emergency purchase of service contract was then issued with Sirona Recovery, Inc. from July 1 to December 31, 2021 for \$99,999 to avoid service disruption.

C. The total annual budget for this program is \$670,000 and there is \$197,806 remaining which can be applied to the amendment to the Sirona contract.

D. This fiscal note assumes expenditures will not exceed the amount authorized for this purchase of service contract.
