DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
- B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
- C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
- D. Describe any assumptions or interpretations that were utilized to provide the information on this form.

A. The Department of Health and Human Services (DHHS) is requesting to create 2.0 FTE Housing Program Assistant positions in the Section 8 Housing Choice Voucher Program (HCV) within the Housing Division due to an increased volume of vouchers, lease up rate, and responsibilities.

B. The 2.0 FTE Housing Program Assistant positions would be at pay grade 16Z3 with a pay range of \$40,103 - \$47,895 for salary (\$43,171 - \$51,559 with salary and social security). The DHHS assumes filling the positions in Pay Period 21 but does not assume filling at a particular step. The direct cost (salary and social security) impact in 2021 includes actual expenditures of \$20,752 for 2.0 FTE Housing Program Assistant positions (if filled at step 4), offset by increased program revenue.

C. There is no direct cost impact in 2021 to create 2.0 FTE Housing Program Assistant positions. All additional expenditures are offset by Housing and Urban Development (HUD) Administrative Fees revenue.

D. Assumptions include: Filling the 2.0 FTEs in pay period 21, Step 4 (mid-range).
