DESCRIPTION OF FISCAL EFFECT

In the space below, you must provide the following information. Attach additional pages if necessary.

- A. Briefly describe the nature of the action that is being requested or proposed, and the new or changed conditions that would occur if the request or proposal were adopted.
 - B. State the direct costs, savings or anticipated revenues associated with the requested or proposed action in the current budget year and how those were calculated. ¹ If annualized or subsequent year fiscal impacts are substantially different from current year impacts, then those shall be stated as well. In addition, cite any one-time costs associated with the action, the source of any new or additional revenues (e.g. State, Federal, user fee or private donation), the use of contingent funds, and/or the use of budgeted appropriations due to surpluses or change in purpose required to fund the requested action.
 - C. Discuss the budgetary impacts associated with the proposed action in the current year. A statement that sufficient funds are budgeted should be justified with information regarding the amount of budgeted appropriations in the relevant account and whether that amount is sufficient to offset the cost of the requested action. If relevant, discussion of budgetary impacts in subsequent years also shall be discussed. Subsequent year fiscal impacts shall be noted for the entire period in which the requested or proposed action would be implemented when it is reasonable to do so (i.e. a five-year lease agreement shall specify the costs/savings for each of the five years in question). Otherwise, impacts associated with the existing and subsequent budget years should be cited.
 - D. Describe any assumptions or interpretations that were utilized to provide the information on this form.
- A. This resolution requests the creation of a pilot reentry program to support incarcerated and post incarcerated individuals returning to the community. The Milwaukee County House of Correction will work with the Milwaukee County Department of Health and Human Services, the Behavioral Health Division, and Office of the Sheriff to develop a program that assists individuals with navigating housing options, economic resources, mental health services, along with the guidance of trusted community members to encourage them not to reoffend and maintain productiveness.
 - B. Approval of this resolution has no direct county fiscal impact and does not require the expenditure of any funds. The House of Correction will provide the Milwaukee County Board of Supervisors with a written report during the December cycle of the projected costs for the program.
 - C. Approval of this resolution has no budgetary impact but does require the use of existing staff time to collaborate with the Department of Health and Human Services, the Behavioral Division, and the Office of the Sheriff. The House of Correction will provide the Milwaukee County Board of Supervisors with a written report during the December cycle of the projected budget for the program.
 - D. No assumptions or interpretations were made.

¹ If it is assumed that there is no fiscal impact associated with the requested action, then an explanatory statement that justifies that conclusion shall be provided. If precise impacts cannot be calculated, then an estimate or range should be provided.
