Guy D. Smith, CPRP
Executive Director
Milwaukee County Parks
9480 W. Watertown Plank Road
Wauwatosa, WI 53226

Dear Guy:

As you are aware, the MMSD and Milwaukee County have entered into an "Agreement Between the Milwaukee Metropolitan Sewerage District and Milwaukee County for Kinnickinnic River Watercourse Restoration and Flood Management in Jackson Park." This Agreement was approved by the County Board and the Metropolitan Sewerage Commission and was executed in May 2020.

This Agreement provides that the District shall pay \$2,750,000 toward the repair or replacement of the current pool facility with either pool upgrades, a new pool, or a splash pad. It is our understanding that prior to undertaking this endeavor, the County seeks to do an Aquatics Master Plan to ensure that money is spent in the most effective way possible.

MMSD supports this effort and by this letter agrees to fund up to \$250,000 for the Aquatics Master Plan. This \$250,000 will be deducted from the \$2,750,000 that has already been approved in the Agreement. MMSD will pay this amount to the County on a reimbursement basis. Please ensure that your consultant bills on an hourly basis and provides sufficient detail as to the work performed. MMSD Project Manager Patrick Elliott will provide additional information to Sarah Toomsen of your staff regarding the procedure for submission of invoices.

Sincerely,

Kevin L. Shafer, P.E.
Executive Director
