Amend Org. Unit No. 1000 - County Board of Supervisors as follows:

Strategic Implementation: The current culture creates urgency for all elected officials to respond in a proactive manner, as we work to “do the right thing.” Supervisors seek robust civic engagement with constituencies and stakeholders. Objectives & Goals: Among the Board’s most important means of establishing policy and positively impacting our community is the adoption of the annual County Budget. Additionally, the Board adopts countywide policies through resolutions and ordinances. Cyclic committee meetings and use of recurring reporting tools, such as reference files, are ways that the Board provides legislative oversight of County operations. The Board actively seeks diverse perspectives when making decisions and has implemented broader and more inclusive methods of receiving public input. Ecomments, virtual testimony, shared newsletter content, and coordinated social media efforts are new communication tools launched this term. This expansion of ways constituents can interact with Supervisors about proposed legislation and County services creates opportunities for more diverse engagement with the public.

The County Board Office will serve as a community work experience site for youth employed through the City of Milwaukee Earn and Learn program. Earn and Learn is a seven-week program that prepares youth to enter the workforce by providing authentic work experiences at local businesses, non-profit organizations, and community and faith-based organizations.

Amend Org. Unit No. 4300 – House of Correction as follows:

**Major Changes in FY 2022:**

**New Human Service Social Worker Position:** 1.0 FTE Human Service Worker is created in 2022 to increase education, literacy rates, math skills, and life skills of residents.

**New Housing Division Partnership:** Beginning in 2021 and continuing into 2022, the HOC and the Housing Division and House of Correction (HOC) will partner together to provide housing navigation services for residents ahead of their transition back into the community. Currently, no resources exist to assist individuals in finding housing.

**New Maintenance Positions:** Three (3) new FTE's are created in the maintenance department funded by reducing service contracts that provided maintenance services at a higher cost.

**Telephone Revenue:** Telephone revenue is reduced by \$378,000 to reflect a goal of decreasing per minute phone rates to residents from the current rate of \$0.21 per minute to \$0.16 per minute rates in the next communications contract currently being negotiated.

**Transportation to HOC:** The HOC Superintendent will study the potential of providing a County-sponsored transportation network company (TNC) service for individuals who cannot drive to the HOC. This would balance being responsible to County taxpayers as experience shows bus service to the HOC to be underutilized and inefficient. The Superintendent will present the results of the study to the County Board of Supervisors no later than the March 2022 meeting cycle.

Amend Org. Unit No. 1950 – Employee Fringe Benefits as follows:

Short-Term and Long-Term Disability Insurance

Milwaukee County will provide Short-term Disability (STD) and Long-term Disability (LTD) insurance for its employees that will help pay for a percentage of an employee's salary for a specified amount of time if an employee was ill or injured and could not perform the duties of their job. This would help employees who do not have access to adequate paid sick time to cover the length of their absence. By offering a STD and LTD group policy that would cover all employees, the County would have a more consistent process for administering a paid time off program for its employees.

An appropriation of \$1,816,896 is allocated to provide 100% employer-paid STD and LTD insurance coverage beginning January 1, 2022. Previously, these insurance coverages were optional and paid by the employees, which resulted in much higher premium costs than if it were applied to all employees through group coverage.

Amend Org. Unit No. 4000 – Office of the Sheriff as follows:

- Reduce salary and social security appropriations by increasing vacancy and turnover in Org. 4021 – Office of the Sheriff – Expressway Patrol by \$1,816,896.
