SCHEDULED ITEMS:

- | | |
|----|--|
| 1. | <p>Welcome.</p> <p>Chairwoman Wesley welcomed everyone to the January 9, 2023, Mental Health Board Community Stakeholder Advisory Council's remote/virtual meeting.</p> |
| 2. | <p>Determine When Best to Begin Public Comment.</p> <p>Early upon the Council's conception, it was agreed to have a standing item for public comment once the Council became better established. Chairwoman Wesley suggested conducting public comment during the February meeting. Discussion began as to what order of the meeting this segment should be held. For time management purposes, it was recommended this segment be held towards the end before adjournment. Commenters will be limited to two minutes for their presentations. As this will be the Council's first public comment, notes will be taken to examine any necessary improvements to its protocols.</p> <p>Questions and comments ensued.</p> <p>This item was informational.</p> |
| 3. | <p>Miracle Group Collaboration.</p> <p>Miracle Health, Inc. (Miracle Group) has not yet reached a resolution on addressing recommendations made to the Mental Health Emergency Center (MHEC). Miracle Group has met with other MHEC representatives since the initial meeting held on November 2, 2022, with MHEC's administrator. During those conversations, new information has been provided pertaining to how marketing will be done for MHEC. As this new information still did not address the intent of the meeting, it raised more questions from members of the Miracle Group. The Council is adamant about continuing the collaboration with the Miracle Group in extending efforts to MHEC. It's believed the collaboration between the two will be more effective.</p> <p>Questions and comments ensued.</p> |

	This item was informational.
4.	<p>Council Members' Outreach Updates.</p> <p>There were no new updates from Council Members. The opportunity was open for Members to suggest new ways to provide outreach. Representatives from the Department of Health and Human Services (DHHS) offered support for the promotion of the Board's Facebook page and other efforts. Council members were informed how to access the page and were encouraged to follow and "like" posts to remain aware of Board updates. In the past, the Mental Health Board Community Engagement Committee began to develop an Infographic for Behavioral Health Services, it was requested the Committee revisit this idea as it could be a beneficial resource for the Council.</p> <p>Questions and comments ensued.</p> <p>This item was informational.</p>
5.	<p>Adjournment.</p> <p>Chairwoman Wesley ordered the meeting adjourned.</p>
