From the Fiscal and Budget Administrator, Department of Administrative Services, submitting a follow-up informational report regarding the unauthorized usage of personal information by an employee of a temporary agency. **(INFORMATIONAL ONLY UNLESS OTHERWISE DIRECTED BY THE COMMITTEE)**

After an incident in October, 2010 where an employee of a temporary agency was arrested on suspicion of identity theft arising from her employment at the Division of Employee Benefits, the Personnel Committee requested that the Department of Administrative Services (DAS) report back on county department's use of temporary employees, including access to sensitive information and safeguards in place to prevent future incidents of identity theft or other criminal activity.
