RE: Request for authorization to execute the 2012 State and County Contract Covering Social Services and Community Programs - Aging Programs and to accept the federal and state revenues provided thereunder, including any and all increases in allocations during the contract year

I respectfully request that the attached resolution be scheduled for consideration by the Committee on Health and Human Needs at its meeting on December 7, 2011.

The resolution authorizes the Milwaukee County Executive to execute the 2012 State and County Contract Covering Social Services and Community Programs - Aging Programs between the Milwaukee County Department on aging and

the Wisconsin Department of Health Services (DHS) and to accept the federal and state revenues provided thereunder, including any and all increases in allocations during the contract year.

Funds provided under the State/County contract include most of the revenue in the Department's 2012 Adopted Budget. These funds will be used to pay for the services directly provided by Department on Aging employees and for the services purchased by the Department from private vendors.

These funds do require a local matching share that is provided, in part, through the County Tax Levy allocated to the Department on Aging in the 2012 Adopted Budget. As in previous years, contract agencies will be required to provide the remainder of the local matching share.

If you have any questions, please call me at 2-6876.
