From the Department of Administrative Services, an informational report on the annual Passenger Vehicle Review. **(INFORMATIONAL UNLESS OTHERWISE DIRECTED BY THE COMMITTEE)**

The Milwaukee County Administrative Manual Section 56.22 requires all departments/employees having use of a passenger car to annually submit a report to the Department of Administrative Services that specifies the number of vehicles and garaging location of vehicles assigned to the department, their use (whether by an individual employee or as a pool vehicle), and if assigned to an employee, the title of the employee, their job function and the use of the vehicle. After reviewing information submitted by departments, the Department of Administrative Services will recommend any changes or additions to approved vehicle assignments to the Committee on Finance and Audit. Assignment of all passenger cars shall be subject to the approval of the County Board upon the recommendation of the Committee. The Sheriff's Office considers all assigned vehicles to be for law enforcement purposes and as a result did not respond to DAS' request for information. However, DAS has provided a listing of Sheriff's Office vehicles (including both passenger and non-passenger vehicles). Please see the attached spreadsheet for a detailed list of Fleet Management passenger vehicles.
