From the Director, Human Resources, requesting authorization to create one position of Comptroller which will be an elected position in Milwaukee County. **(Referred to the Committees on Finance and Audit and Personnel and the Departments of Administrative Services and Human Resources.)**

### **Request**

The Department of Human Resources is requesting the creation of one position of Milwaukee County Comptroller which will be an elected position in Milwaukee County.

### **Background**

As per Wisconsin Senate Bill 259, 2011 Wisconsin Act 62, I am requesting that the elected position of Comptroller be established. The Comptroller will be the chief financial officer of the county, and the administrator of the county's fiscal affairs. The Comptroller will oversee all of the county's debt, and is responsible for setting the vision, direction, and objectives for the Comptroller's office. The following job duties are outlined in Act 62:

- Present monthly reports to the board and county executive on the condition of the county's outstanding contracts, and of each of the county's funds and the claims payable from the funds.
- File an annual certified and detailed statement of the receipts and disbursements on account of each fund of the county during the preceding fiscal year.
- Countersign all contracts with the county if he or she determines that the county has, or will have, the necessary funds to pay the liability that the county may incur under the contract.
- Perform a monthly review of the treasurer's accounts as reported and as kept, and report to the county executive and board as to their correctness, as well as any violations regarding the keeping of accounts or disbursement of moneys.
- As requested, provide the county executive or board an independent fiscal analysis of any matter affecting the county.
- Provide the county executive and board with a fiscal note for all proposed legislation.
- Prepare and distribute to the county executive and board an annual 5-year financial condition forecast for the county.
- Perform all audit functions related to county government, in accordance with governmental auditing standards issued by the comptroller general of the United States and generally accepted auditing standards.
- Administer and oversee all shared services contracts.
- Ensure that all contracts comply with all statutes, rules, ordinances, and the county's ethics policy.
