

Milwaukee County

Legislation Text

File #: 14-632, **Version:** 1

From the Director of County Economic Development, Department of Administrative Services, requesting authorization to accept a Green Infrastructure Partnership Program grant not to exceed \$99,400 from the Milwaukee Metropolitan Sewerage District for the creation of an urban orchard at 4000 S. 6th Street, Milwaukee, Wisconsin; to encumber the land with a 10-year conservation easement; and to enter into a Development Agreement with Energy Exchange Inc., which currently leases the land for the construction and long-term maintenance of the orchard.
